UPS GLOBAL SERVICE AGREEMENT 2024-2026

Agreement Number: UPS-MSA-2024-1147
Effective Date: March 1, 2024
Expiry Date: February 28, 2026
Carrier: United Parcel Service, Inc.
Service Type: Ground, Air, Freight, International

SECTION 1: CLAIM FILING DEADLINES

All claims for loss, damage, or delay must be submitted within the following timeframes:

Claim Type	Filing Deadline
Visible Damage	5 business days from delivery
Concealed Damage	10 business days from delivery
Complete Loss	9 calendar days from scheduled delivery
Partial Loss	15 calendar days from delivery
Late Delivery Claims	14 calendar days from shipment date
Overcharge/Rate Disputes	60 calendar days from invoice date
COD Claims	30 calendar days from delivery
Freight Damage	9 business days from delivery
International Claims	21 calendar days from delivery
Temperature-Sensitive Claims	24 hours from delivery

Table 1: UPS claim filing deadlines by claim type

Important Notes:

- Claims filed after the deadline will be automatically rejected without review
- For high-value items over $10,000, photographic evidence must be submitted within 48 hours
- Temperature-sensitive shipments require immediate notification via UPS Claims Hotline
- International claims require customs documentation with claim submission

---

SECTION 2: LIABILITY LIMITS AND COVERAGE

UPS liability for loss or damage is structured as follows:

Service Type	Standard Coverage	Maximum Coverage
UPS Ground	$100 per package	$50,000 with declared value
UPS Next Day Air	$100 per package	$50,000 with declared value
UPS 2nd Day Air	$100 per package	$50,000 with declared value
UPS 3 Day Select	$100 per package	$50,000 with declared value
UPS Freight LTL	$0.60 per pound	No maximum with declared value
UPS Worldwide Express	SDR 19 per kg	$50,000 with declared value
UPS Standard International	SDR 19 per kg	$50,000 with declared value

Table 2: Coverage limits by UPS service type

Declared Value Pricing:

- First $100: Included in base rate
- $101 to $1,000: $0.90 per $100 of declared value
- $1,001 to $10,000: $1.10 per $100 of declared value

- $10,001 to $50,000: $1.50 per $100 of declared value

Special Category Limitations:

- **Electronics:** Limited to $2,500 unless original manufacturer packaging used
- **Jewelry/Precious Metals:** Maximum $1,000 liability; recommend UPS Declared Value Service
- **Artwork/Antiques:** Appraisal certificate required for claims over $5,000
- **Perishable Goods:** Limited to shipping charges only; no product value coverage
- **Documents:** Limited to reproduction costs, maximum $500

High-Risk Items Requiring Special Handling:

- Items over $25,000 must use UPS Delivery Signature Required
- Items over $50,000 must be shipped via UPS Express Critical
- Firearms require UPS-approved shipper status and adult signature

---

SECTION 3: PACKAGING REQUIREMENTS AND STANDARDS

3.1 General Packaging Standards

All shipments must meet UPS packaging specifications to qualify for claims coverage:

- **Box Strength:** Minimum 32 ECT (Edge Crush Test) or 200 lb burst strength for packages under 65 lbs; 44 ECT for packages 65-100 lbs
- **Cushioning:** Minimum 2 inches of cushioning material on all sides for fragile items
- **Sealing:** Pressure-sensitive tape, water-activated tape, or approved adhesive; no string or paper tape
- **Weight Distribution:** Contents must be centered with balanced weight distribution
- **Labels:** Clear, scannable shipping label with barcode; no obscuring of barcode

3.2 Category-Specific Requirements

Item Category	Packaging Requirements
Electronics	Anti-static bubble wrap, double-box construction, manufacturer packaging recommended, "FRAGILE ELECTRONICS" label on all 4 sides
Glass/Ceramics	Triple-wall corrugated box, foam-in-place packaging or equivalent, minimum 3 inches cushioning all sides, "FRAGILE GLASS" labels on all 6 sides
Liquids	Leak-proof primary container, sealed plastic bag, absorbent material, rigid outer box, upright orientation arrows, "LIQUID" handling label
Perishables	Insulated EPS foam cooler (minimum 1.5 inch walls), gel packs or dry ice, sealed inner bag, "PERISHABLE" labels, must use Next Day Air service
Medical Supplies	Temperature monitoring device required, UN 3373 Biological Substance label if applicable, absorbent material, leak-proof packaging
Hazardous Materials	IATA/DOT compliant packaging, proper classification labels, Shipper's Declaration, 24-hour emergency contact number
Books/Printed Matter	Rigid corrugated box, corner protection, no jiffy bags for multiple items, maximum 50 lbs per box

Table 3: Category-specific packaging requirements

3.3 Prohibited Packaging Materials

The following packaging materials void coverage and may result in shipment refusal:

- Newspaper as cushioning material (ink transfer risk)
- Packing peanuts in international shipments (customs issues)

- Biodegradable peanuts (moisture sensitivity)
- Duct tape, masking tape, cellophane tape
- Previously used boxes with multiple labels or markings
- Boxes with significant wear, tears, or water damage

SECTION 4: PICKUP COMMITMENTS AND PENALTIES

4.1 Pickup Windows and Service Guarantees

Pickup Type	Window	Late Penalty	Missed Penalty
Daily Scheduled Pickup	60 min tolerance	$25 per incident	$50 per incident
On-Call Pickup	4 hours from request	$40 per incident	$75 per incident
Smart Pickup	90 min tolerance	$30 per incident	$60 per incident
Saturday Pickup	3 hours window	$50 per incident	$100 per incident
UPS Express Critical	2 hours from request	$200 per incident	$500 per incident

Table 4: Pickup service windows and penalty structure

Penalty Credits: Applied automatically to shipper's account within 2 billing cycles.

Escalation Protocol:

- 3 late pickups in 30 days: Account manager review
- 5 missed pickups in 60 days: Service improvement plan required
- 10+ missed pickups in 90 days: Contract termination clause activated

Peak Season Adjustments (November 20 - January 10):

- Extended pickup windows: +30 minutes
- Saturday pickup: +1 hour window

- Penalty amounts reduced by 50% during peak season

SECTION 5: DELIVERY COMMITMENTS AND GUARANTEES

5.1 Service Level Commitments

Service	Commitment	Guarantee
UPS Next Day Air Early	8:00 AM or 8:30 AM	Money-back guarantee
UPS Next Day Air	10:30 AM to businesses, End of day to residences	Money-back guarantee
UPS Next Day Air Saver	End of day next business day	Money-back guarantee
UPS 2nd Day Air AM	Noon second business day	Money-back guarantee
UPS 2nd Day Air	End of day second business day	Money-back guarantee
UPS 3 Day Select	End of day third business day	Money-back guarantee
UPS Ground	1-5 business days (distance-based)	No guarantee
UPS Worldwide Express Plus	Next business day by 8:30 AM	Money-back guarantee
UPS Worldwide Express	Next business day by noon	Money-back guarantee

Table 5: UPS delivery service commitments

5.2 Money-Back Guarantee Terms

- **Automatic Processing:** Refunds processed automatically for electronically tracked shipments
- **Manual Claims:** Must be filed within 15 days of shipment date
- **Refund Amount:** Full transportation charges (does not include declared value fees, accessorial charges)

- **Processing Time:** 5-10 business days for automatic refunds; 15-20 business days for manual claims

Guarantee Suspensions:

- Service disruptions due to severe weather
- Government actions or regulatory delays
- Labor strikes or work stoppages
- Peak season blackout dates (December 20-26)
- Force majeure events

SECTION 6: RATE STRUCTURE AND VOLUME DISCOUNTS

6.1 Base Rate Structure

All rates based on UPS Published Rate Guide effective January 2024.

Minimum Billable Weight: 1 lb per package

Dimensional Weight Formula: Length × Width × Height ÷ 139 (domestic); ÷ 166 (international)

Large Package Surcharge:

- Length greater than 96 inches: $90 per package
- Length plus girth greater than 130 inches: $90 per package
- Actual weight greater than 150 lbs: Additional handling fee applies

6.2 Volume Discount Tiers

Tier	Monthly Volume	Ground Discount	Air Discount
Bronze	500-1,499 packages	8%	5%
Silver	1,500-4,999 packages	12%	8%
Gold	5,000-14,999 packages	18%	12%
Platinum	15,000+ packages	25%	18%

Table 6: Volume-based discount structure

Additional Incentives:

- **Early Adoption Bonus:** 2% additional discount for first 6 months
- **Technology Integration Bonus:** 3% discount for using UPS API integration
- **Paperless Billing:** 1% discount for electronic invoicing
- **Carbon Neutral Shipping:** No additional fee for qualified shippers

6.3 Fuel Surcharge

Fuel surcharge adjusted weekly based on U.S. Energy Information Administration (EIA) Gulf Coast spot price for diesel.

Current Range (March 2024): 14.5% - 18.5%

SECTION 7: ACCESSORIAL CHARGES AND FEES

Accessorial Service	Charge
Address Correction	$21.00 per package
Delivery Area Surcharge (Extended)	$4.85 per package
Delivery Area Surcharge (Remote)	$2.35 per package
Large Package Surcharge	$90.00 per package
Additional Handling	$20.00 per package
Residential Surcharge	$5.20 per package
Signature Required	$6.70 per package
Adult Signature Required	$7.50 per package
Saturday Delivery	$20.00 per package
Peak Season Surcharge	$4.00-$6.00 (November-January)
COD Fee	$13.50 plus 2% of collected amount
Return Service	Original charges plus $10.50 handling
Delivery Change Request	$6.00 per request
Incorrect Address	$18.00 rerouting fee

Table 7: UPS accessorial charges

Address Correction Triggers:

- Incorrect street number or name
- Missing suite/apartment number
- Wrong ZIP code
- Business closed/moved

Additional Handling Triggers:

- Cylindrical packages
- Packages with longest side exceeding 48 inches
- Packages with second longest side exceeding 30 inches
- Actual weight exceeds 70 lbs
- Packages not fully encased in corrugated box

SECTION 8: PROHIBITED AND RESTRICTED ITEMS

8.1 Absolutely Prohibited Items

The following items are strictly prohibited and will result in shipment refusal and potential account suspension:

- Explosives, fireworks, ammunition (except licensed shippers)
- Flammable liquids and gases (except as Dangerous Goods with proper documentation)
- Radioactive materials (except medical isotopes with special approval)
- Toxic or infectious substances (except UN 3373 Biological Substances)
- Live animals (except day-old chicks, insects for research, and certain aquatic life)
- Human remains or ashes (except via UPS Express Critical with funeral home documentation)
- Currency or negotiable instruments exceeding $50,000
- Illegal drugs or drug paraphernalia
- Counterfeit goods or items violating intellectual property
- Hazardous waste materials

8.2 Restricted Items (Require Special Handling)

Item Category	Special Requirements
Alcoholic Beverages	Licensed shipper status required; state-specific restrictions apply; adult signature mandatory
Tobacco Products	Licensed shipper required; PACT Act compliance; age verification
Firearms	FFL license verification; declared on shipping label; adult signature; state law compliance
Dry Ice	Maximum 5.5 lbs per package; proper labeling; UN1845 classification
Lithium Batteries	IATA Section II compliance; not more than 2 batteries per package; proper labeling
Pharmaceuticals	Temperature monitoring may be required; DEA license for controlled substances
Biological Samples	UN 3373 packaging; training certification; 24-hour contact

Table 8: Restricted items and compliance requirements

SECTION 9: INVOICE DISPUTES AND AUDIT PROCEDURES

9.1 Dispute Filing Process

Dispute Submission Deadline: 60 calendar days from invoice date

Required Documentation:

- Original invoice copy
- Proof of correct rate or service level
- Supporting documentation (rate agreement, weight certificates, delivery confirmation)
- Detailed description of dispute reason

Dispute Categories:

- Incorrect weight or dimensions charged
- Wrong service level billed
- Accessorial charges applied in error
- Duplicate charges
- Fuel surcharge calculation errors
- Residential vs. commercial misclassification

9.2 Audit and Credit Process

Process Step	Timeline
Dispute Submission	Day 0
Initial Review	5-7 business days
Investigation	10-15 business days
Resolution Decision	Within 20 business days
Credit Issuance	5-10 business days after approval

Table 9: Invoice dispute resolution timeline

Credit Terms:

- Approved credits applied to next invoice
- Credits over $1,000 issued as check upon request
- Interest applied at 0.5% per month if UPS error exceeds 60 days

Systematic Overcharge Guarantee:
If systematic overcharging is identified (same error across multiple shipments), UPS will:

1. Conduct full account audit for past 12 months
2. Issue retroactive credits for all affected shipments
3. Provide 5% goodwill credit on corrected amounts
4. Implement account-level correction to prevent future occurrences

---

SECTION 10: INTERNATIONAL SHIPPING REQUIREMENTS

10.1 Documentation Requirements

All international shipments must include proper documentation:

- **Commercial Invoice:** Required for all shipments; 3 copies minimum; English language or translation
- **Certificate of Origin:** Required for preferential tariff treatment (USMCA, GSP, etc.)
- **Export License:** Required for controlled commodities (EAR/ITAR)
- **Import License:** May be required by destination country
- **AES Filing:** Automatic for shipments over $2,500; shipper responsible for accuracy

10.2 Duties, Taxes, and Customs Brokerage

Payment Options:

- **Shipper Paid:** All duties and taxes billed to shipper account
- **Receiver Paid:** Receiver assumes all duties and taxes (DDU - Delivered Duty Unpaid)
- **DDP (Delivered Duty Paid):** Shipper pays all duties and taxes; receiver has no obligation

Brokerage Services:

- Included automatically for standard clearance
- Expedited clearance available for additional $45 fee
- Formal entry required for shipments over $2,500

Customs Hold Procedures:

- UPS attempts contact within 24 hours of hold
- Customer has 72 hours to provide requested documentation
- Storage fees begin after 5 business days: $25 per day
- Abandonment after 30 days; disposal fees apply

10.3 Restricted Destination Countries

Embargoed Countries (No Service):

- North Korea, Iran, Syria, Cuba (U.S. embargo)

Service Limited Countries (Restrictions Apply):

- Russia, Belarus, Venezuela, Myanmar (sanctions apply; documentation required)

High-Risk Countries (Additional Screening):

- Afghanistan, Iraq, Libya, Somalia, Yemen

SECTION 11: INSURANCE AND DECLARED VALUE SERVICES

11.1 UPS Declared Value vs. Third-Party Insurance

Feature	UPS Declared Value	Third-Party Insurance
Maximum Coverage	$50,000 per package	Up to $500,000 per shipment
Cost	$0.90-$1.50 per $100	Varies by insurer
Claim Process	File directly with UPS	File with insurer
Claim Timeline	15-30 days	30-60 days
Coverage Exclusions	Standard UPS exclusions	Varies by policy

Table 10: Comparison of insurance options

11.2 High-Value Shipment Protocol

For shipments valued over $25,000:

1. Pre-shipment approval required from UPS Account Manager
2. Itemized packing list mandatory

3. Signature Required service automatically applied
4. Real-time tracking monitoring by UPS Security
5. Special routing to avoid high-risk areas
6. Enhanced investigation process for claims

For shipments valued over $50,000:

- Must use UPS Express Critical service
- Armed courier option available
- White-glove handling throughout transit
- Direct delivery to recipient (no access points)

SECTION 12: SERVICE GUARANTEES AND REFUND POLICY

12.1 Guarantee Eligibility

Money-back guarantee applies to:

- All UPS Next Day Air services
- UPS 2nd Day Air services
- UPS 3 Day Select
- UPS Worldwide Express services

Guarantee does NOT apply to:

- UPS Ground (best effort, no guarantee)
- UPS SurePost (USPS final delivery)
- UPS Freight services
- Shipments to Alaska, Hawaii (extended transit)

12.2 Automatic Refund Processing

For electronically tracked shipments meeting guarantee criteria:

- Refund automatically credited within 2-3 billing cycles
- No action required from shipper
- Notification sent via email to account administrator

Exceptions Requiring Manual Filing:

- Shipments without electronic tracking
- Delivery reattempts requested by recipient
- Address corrections that changed service area
- Shipper-caused delays (late tender, missing documentation)

12.3 Severe Weather and Force Majeure

Service guarantee suspended for:

- Natural disasters declared by government authorities
- Severe weather conditions impacting transit or delivery areas
- Pandemic or public health emergencies
- Civil unrest or acts of terrorism
- Government actions restricting transportation

Notification: UPS will post service alerts on ups.com and notify customers via email within 24 hours of service disruption.

SECTION 13: TECHNOLOGY AND INTEGRATION REQUIREMENTS

13.1 UPS Technology Tools

All contract shippers must utilize minimum technology standards:

- **UPS Shipping Software:** WorldShip, UPS CampusShip, or API integration
- **Tracking Integration:** Automated tracking updates via UPS API or EDI
- **Electronic Invoicing:** Paperless billing required for Platinum tier
- **Address Validation:** UPS Address Validation API recommended

13.2 Data Sharing and Reporting

Monthly Reporting Provided:

- Service performance metrics (on-time delivery percentage)
- Claim history and resolution status
- Spend analysis and cost optimization recommendations
- Carbon footprint reporting

Data Security:

- All data transmitted via encrypted channels (TLS 1.2 or higher)
- Shipper data not shared with third parties without consent
- GDPR and CCPA compliance for applicable shipments

SECTION 14: PENALTIES, VIOLATIONS, AND ACCOUNT SUSPENSION

14.1 Violation Categories and Penalties

Violation Type	Penalty	Escalation
Insufficient Packaging	Package returned at shipper expense	Warning letter
Prohibited Item Shipped	$500 fine plus disposal costs	Account review
Hazmat Violation	$5,000-$50,000 DOT fine; UPS assessment of damages	Immediate suspension
Fraudulent Declared Value	Claim denied; $1,000 penalty	Account suspension
Repeated Late Payments	1.5% per month interest	Credit hold
Address Validation Bypass	$10 per occurrence fee	API access revoked

Table 11: Violation penalties and escalation procedures

14.2 Account Suspension Criteria

Immediate Suspension:

- Hazardous materials violation with safety risk
- Shipment of prohibited items (explosives, illegal goods)
- Fraudulent activity or misrepresentation

Suspension After Warning:

- 3 packaging violations in 60 days

- 5+ claims filed for same issue (systemic problem)
- Account overdue more than 90 days

Reinstatement Process:

- Written remediation plan required
- Prepayment for first 30 days after reinstatement
- Quarterly compliance reviews for 12 months

SECTION 15: CONTRACT TERMINATION AND RENEWAL

15.1 Termination Clauses

Termination by Either Party:

- 60 days written notice required
- No termination fees or penalties
- Outstanding invoices due immediately upon termination
- Equipment return required (scales, printers) within 10 business days

Immediate Termination by UPS:

- Material breach of contract terms
- Fraudulent activity
- Habitual shipping of prohibited items
- Account in default (payment overdue >120 days)

15.2 Contract Renewal Terms

Automatic Renewal: Contract automatically renews for successive 1-year terms unless terminated.

Rate Review: Rates subject to annual review and adjustment based on:

- UPS Published Rate changes
- Fuel cost fluctuations
- Volume performance vs. commitments
- Service utilization patterns

Renegotiation Triggers:

- Volume increase/decrease of 20% or more
- Service mix changes (shift from ground to air or vice versa)
- New service requirements (international expansion, specialized handling)
- Competitive bid process initiated by shipper

SECTION 16: SPECIAL SERVICES AND PREMIUM OFFERINGS

16.1 UPS Express Critical

24/7/365 time-critical shipping service:

- Same-day delivery available
- Dedicated charter aircraft for urgent shipments
- Door-to-door hand-carry service
- Real-time GPS tracking
- Climate-controlled transport options
- Starting rate: $1,500 per shipment

Use Cases: Medical emergencies, production line parts, legal documents, high-value items

16.2 UPS Temperature True

Temperature-controlled shipping for sensitive products:

- 2-8°C (refrigerated) or -20°C to -80°C (frozen)
- Continuous temperature monitoring with data logger
- Immediate alerts for temperature excursions
- Validation documentation provided
- Packaging provided or approved by UPS

Pricing: Base rate + $125 temperature monitoring fee + packaging costs

16.3 UPS Proactive Response

Enhanced monitoring and intervention service:

- Real-time shipment monitoring
- Proactive resolution of potential delivery exceptions
- Direct communication with recipients
- Delivery appointment scheduling
- Notification of delivery issues before they occur

Included for: Platinum tier accounts; $2.50 per package for others

---

SECTION 17: SUSTAINABILITY AND CARBON NEUTRAL SHIPPING

17.1 Carbon Neutral Program

UPS offers carbon offset options for environmentally conscious shippers:

Carbon Offset Fee: $0.15 per package (all services)

Offset Projects:

- Reforestation initiatives
- Renewable energy projects (wind, solar)
- Methane capture from landfills
- Fuel-efficient fleet upgrades

Reporting: Quarterly carbon impact reports provided showing:

- Total packages shipped
- CO_2 emissions offset
- Environmental project contributions
- Sustainability certifications earned

17.2 Green Packaging Initiatives

Incentives for sustainable packaging:

- 2% discount for using recyclable materials
- Free packaging consultation for optimization
- Access to UPS-approved eco-friendly packaging suppliers

SECTION 18: CONTACT INFORMATION AND SUPPORT

18.1 Customer Service Contacts

General Support:

- Phone: 1-800-PICK-UPS (1-800-742-5877)
- Email: customersupport@ups.com
- Live Chat: Available 24/7 on ups.com

Claims Support:

- Phone: 1-800-742-5877, Option 2
- Email: claims@ups.com
- Online Portal: ups.com/claims

Technical Support (API/Integration):

- Phone: 1-800-443-6379
- Email: techsupport@ups.com
- Developer Portal: developer.ups.com

Account Management:

- Assigned Account Manager (contact info provided separately)
- Quarterly Business Reviews scheduled automatically

18.2 Emergency Contacts

Hazmat Incidents: 1-800-851-3982 (24/7 emergency hotline)

Security Issues: 1-800-554-5877

International Customs Issues: 1-800-443-6379, Option 3

APPENDIX A: GLOSSARY OF TERMS

Accessorial Charges: Additional fees beyond base shipping rate for extra services or handling requirements.

AES (Automated Export System): Electronic filing system for U.S. export declarations.

COD (Collect on Delivery): Service where UPS collects payment from recipient and remits to shipper.

DDP (Delivered Duty Paid): Incoterm where shipper pays all duties and taxes.

DDU (Delivered Duty Unpaid): Incoterm where receiver pays all duties and taxes.

Dimensional Weight: Pricing method based on package volume rather than actual weight.

ECT (Edge Crush Test): Measure of corrugated box strength.

Force Majeure: Unforeseeable circumstances preventing contract fulfillment.

HAZMAT: Hazardous materials requiring special handling and documentation.

IATA: International Air Transport Association; sets standards for air cargo.

Incoterms: International commercial terms defining buyer/seller responsibilities.

LTL (Less Than Truckload): Freight shipments not requiring full truck capacity.

SDR (Special Drawing Rights): International reserve asset used for liability limits.

Shipper of Record: Party legally responsible for export compliance.

APPENDIX B: CLAIM FILING CHECKLIST

Required Documentation for All Claims:

- [ ] Completed UPS claim form
- [ ] Original invoice or proof of value
- [ ] Tracking number
- [ ] Proof of delivery (if applicable)
- [ ] Photos of damaged items and packaging
- [ ] Description of damage or loss

Additional Documentation by Claim Type:

Damage Claims:

- [ ] Photos showing all 6 sides of outer packaging
- [ ] Photos of inner packaging and cushioning materials
- [ ] Photos of damaged item from multiple angles
- [ ] Repair estimate or replacement invoice

Loss Claims:

- [ ] Confirmation of tracking showing non-delivery
- [ ] Declaration that item was not received
- [ ] Invoice or receipt proving item value

Overcharge Claims:

- [ ] Copy of rate agreement or published rates
- [ ] Invoice showing charge in question
- [ ] Weight and dimension documentation (if applicable)

APPENDIX C: PACKAGING QUICK REFERENCE GUIDE

Item Type	Minimum Requirements	Recommended Materials
Electronics	Double box, anti-static wrap, 2" cushioning	Foam inserts, bubble wrap, 44 ECT box
Glass/Ceramics	Triple-wall box, 3" cushioning all sides	Foam sheets, foam peanuts, 48 ECT box
Liquids	Leak-proof container, absorbent, plastic bag	HDPE bottles, poly bags, 32 ECT box
Clothing	Clean, moisture-resistant packaging	Poly mailers, corrugated boxes
Books	Rigid box, corner protection	Book mailers, 32 ECT boxes

Table 12: Quick reference packaging guide
